

WHY WE NEED YOUR SUPPORT

The Property Education Foundation is a recognised charity which provides funds for the development and ongoing support of tertiary property and property-related disciplines in Western Australia.

Our main aim is to provide the property industry with a continuous pool of smart and well-trained property graduates to increase and maintain a continuous talent pool for businesses like yours

Your donation will enable the Foundation to continue to ensure the industry has a greater choice in upcoming talent.

Through your donations, the Foundation may increase the number of annual scholarships, expand our internship program and investigate new initiatives to assist and support property undergraduates.

Our voluntary Board and Committee members make time to attend school career expos, organise activities to encourage and mentor students to choose a career in property.

You may claim your donation as a tax deduction.
